# London Academy of Gymnastics and Dance

**Spring 2020**

## **To our customers, friends, schools and the wider community,**

The current and unpredictable work environment is challenging all of us and we wanted to let you know how **LAGAD** is addressing matters as circumstances evolve.

Following the latest government advice and guidelines regarding COVID-19, we have closed all of our classes to protect our trainee gymnasts, dancers, parents and coaches against any unnecessary exposure to the Coronavirus.

We are committed to the longer term continued delivery of our classes. With this in mind, we have produced a number of short tutorials and films that can be accessed at home. You can view these at <https://www.lagad.co.uk/how-to-videos>.

We have a skeletal staff working remotely and you can reach us at **info@lagad.co.uk**.

We will continue to closely monitor the COVID-19 situation and will keep you informed.

We would like to take this opportunity to thank you for your support and more importantly wish you and your family the very best during these challenging times.

Let's keep in touch.

Kind wishes to all,

*Jessica Shenton*
